**The following should be kept in mind when choosing your course:**

- All subjects may not be available at all times.
- Timetable clashes may restrict choice of subjects.
- All students are expected to study five subjects plus two special Friday options.
- Mathematics, English and/or ESOL are the only compulsory subjects.
- Those seeking University Entrance must choose their subjects from an approved list. Students will be advised on the most suitable course.
- OUTDOOR EDUCATION is taught in modules of 2-3 days in duration and covers a range of activities (see section on Outdoor Education).
- The **SUBJECT SELECTION BOOKLET** contains details on all subjects at all levels.
