

Information About WCC & School Costs

The School Day

The teaching programme begins at 8.40am each morning and the end of day is 3pm.

Lunch Times

No students are permitted to leave the schools grounds without note from their parent/caregiver. The shop in Morris Spence Avenue is out of bounds to all students during school time.

Canteen

Food is available in school from the Canteen at interval and lunchtimes, WCC is part of the Heathy Schools lunch programme, each student is provided with a lunch each day. If your child has any food allergies please advise their classroom or form teacher. Students can opt to bring their own lunch.

Change of Address/Contact Details/Phone Numbers

If any of these details change please contact the College Office to advise. This is important in the case of an emergency situation where we may need to make contact with you or a family member about a child at school.

Uniform

Please assist us in ensuring your child leaves home in full correct uniform each morning. Any student wearing a non uniform item/s will be sent home and unable to return until they have the correct uniform item. Please see our uniform booklet for all uniform items. Uniform can be purchased from The Warehouse in Napier. We have school jackets and caps available for purchase at the School Office. Year 13 students are permitted to wear tidy mufti to school each day.

Locking of Bikes

Students who bring bikes into school have the responsibility of locking these in the bike sheds.

Student Vehicles

If a student is driving a motor vehicle to school the following expectations are expected to be followed:

- * Students must have a current drivers licence
- * Students may not transport other students
- * Students must not park their vehicles within in the school grounds

- * Expected that students do not access their vehicles during the school day

Failure to meet these expectations could result in students losing their right to bring a motor vehicle to school.
